NOTES PRIOR TO HANDLING

Before using your McGean-Rohco, Inc. products, all safety and operating instructions should be read and understood. If you have any questions, please contact your McGean-Rohco representative before proceeding.

USE PROCEDURES

Can be applied with a sprayer, mop, or brush. When using the foam method, apply using a special nozzle

- For general cleaning: Mix 3 oz. of cleaner for each gallon of water.
- For steam cleaning: Mix 1 oz. of cleaner for each gallon of water.
- For use on transportation equipment: Mix 6 oz. of cleaner for each gallon of water.
- For heavy grease removal: Mix 1 part of cleaner with 6-8 parts solvent.

PROPERTIES

- A light blue liquid with a mild odor.

PRECAUTIONS

- Avoid eye and prolonged skin contact. For eye or skin contact, flush with plenty of water and get medical attention.
